

## ABOUT AML

AM Logistics (AML) is an Australian owned high growth company in international trade and logistics.

Strategically located offices across Australia and China is what links the AML value chain and global partnership network.

Serving multiple industry sectors from a position of experience and expertise across the entire supply chain, AML deliver high performance outcomes to importers and exporters worldwide.

The careful design and execution of order management strategy is how AML close gaps and streamline operational supply lines.

As an innovative team who create solutions in the most challenging conditions, AML's mission is to strengthen every link in our client's supply chain.

## WHY AML

As an active supply chain partner, AML customise solutions that link into your business and deliver measurable results across your supply chain, supported by market leading e-commerce tools.
