

Live Track

A DIGITAL SOLUTION FOR CONNECTING
GLOBAL SUPPLY CHAINS

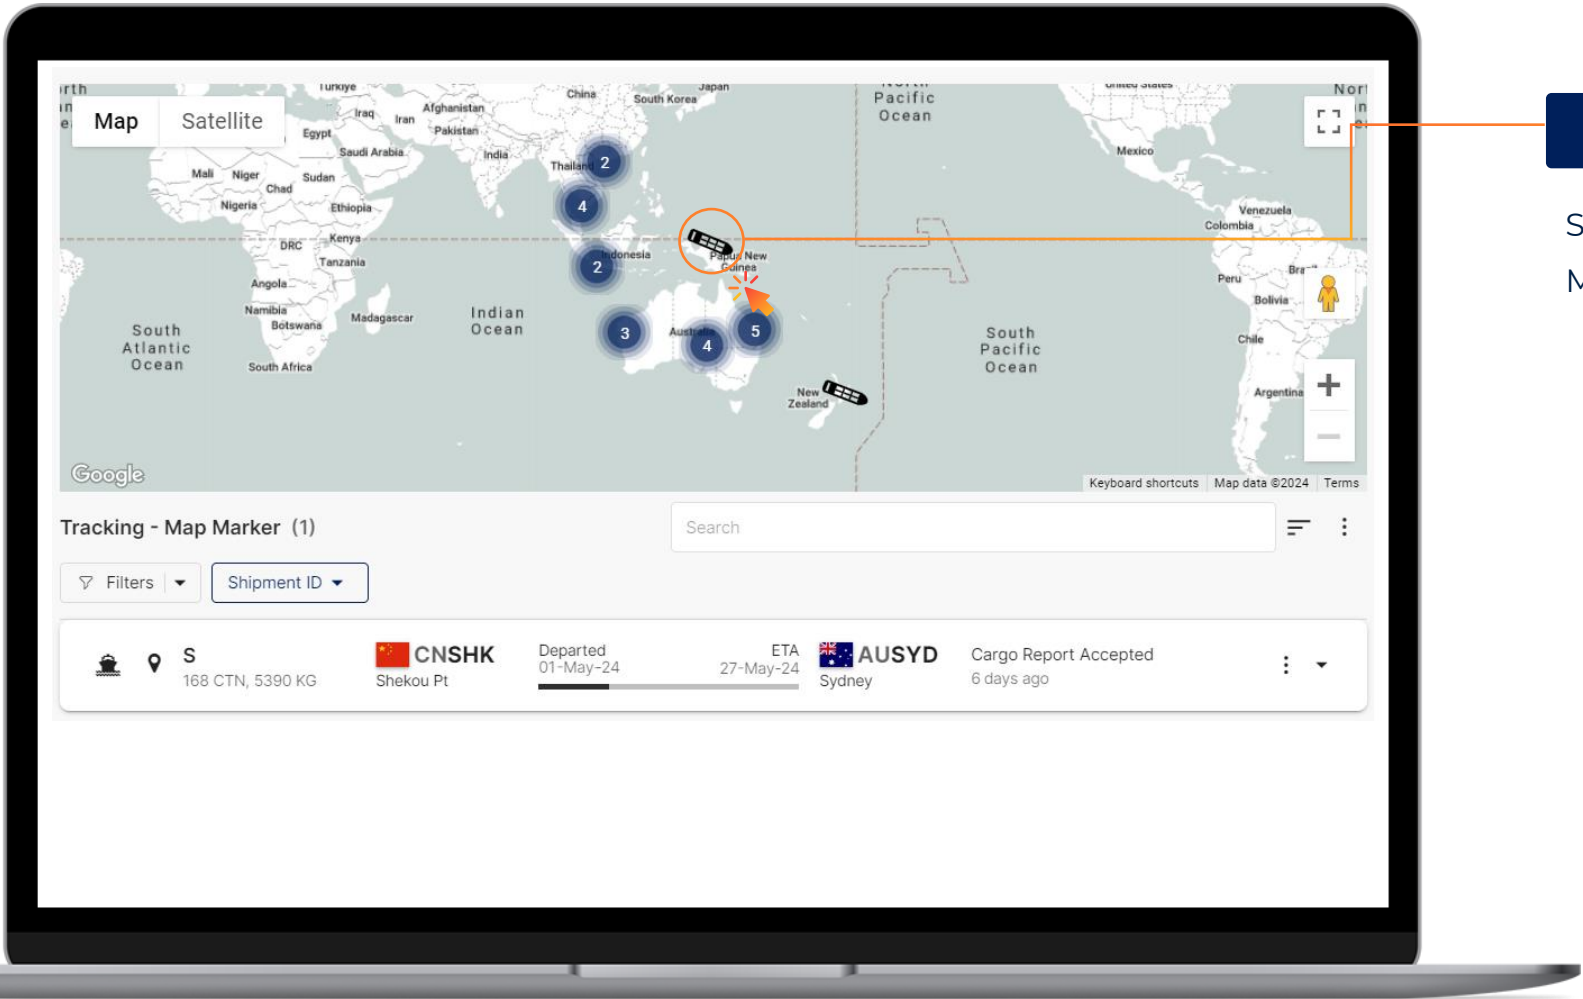

A Single Window concept with modern intuitive dashboards, connecting global supply chains at each touchpoint.

AML Live Track provides access to real-time shipment locations, order information, customs status, documents, invoices, market intelligence and more through a single secure login.

Geo Location Visibility

View your shipment's location using AML Map Marker.

Map Marker

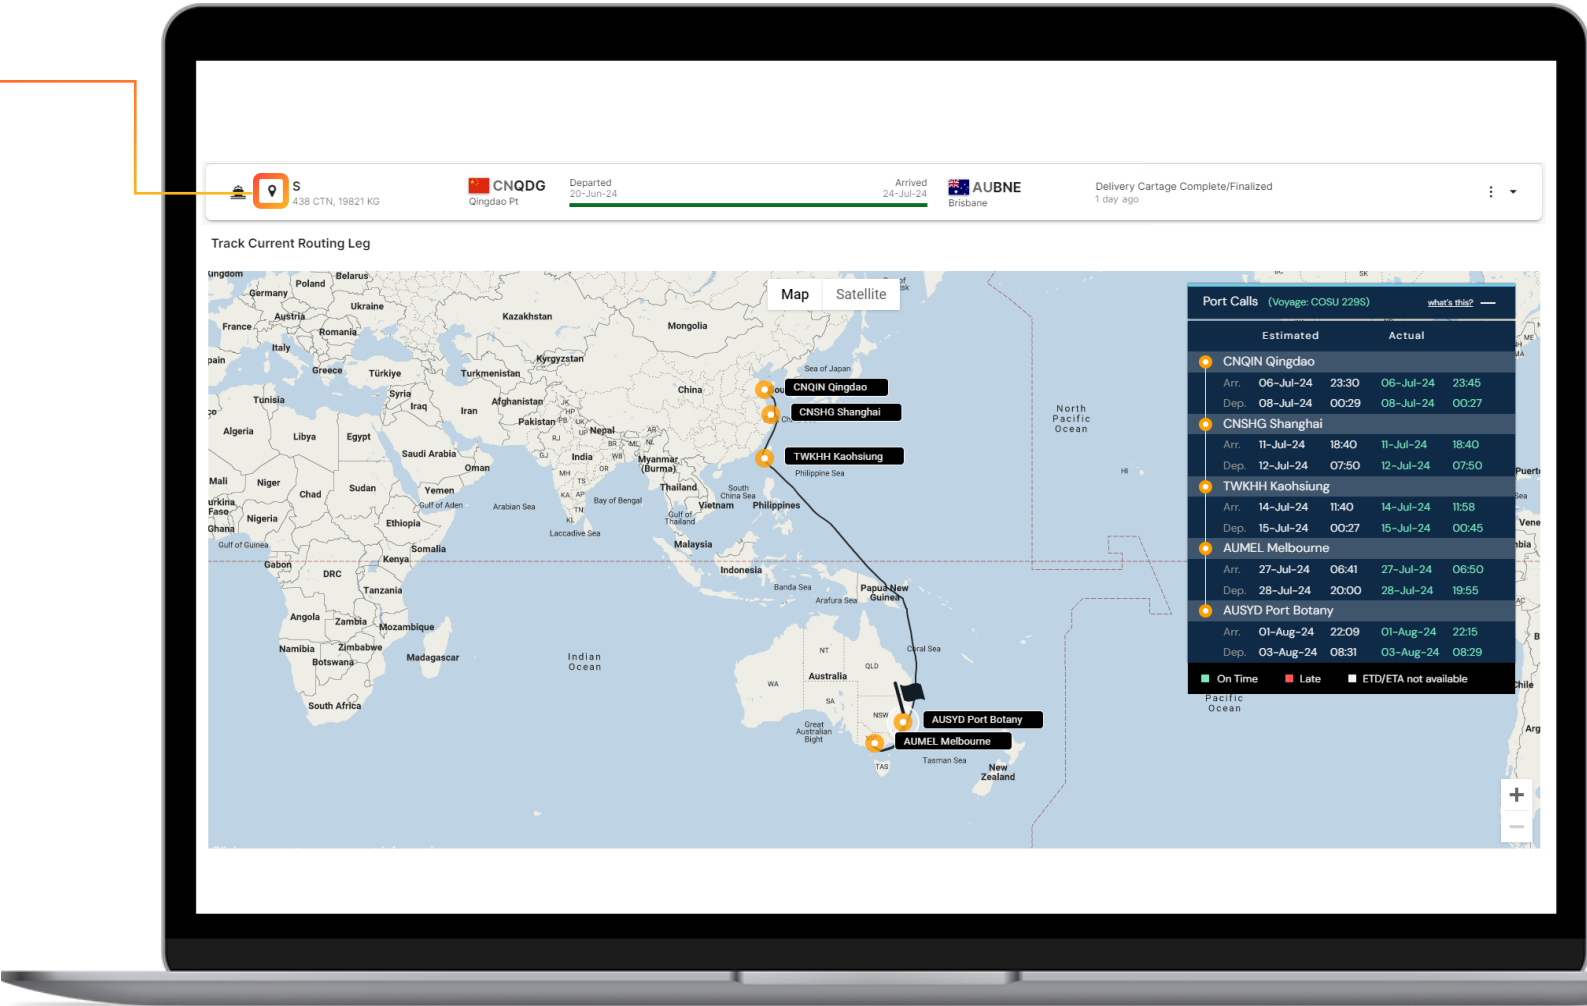

Select the vessel or aircraft on Google Maps to obtain shipment details.

Route Visibility

View your shipment's latest route and schedule with AML Route Visualizer.

Route Visualizer

Select the Pindrop icon displayed on the shipment to reveal detailed voyage and flight information.

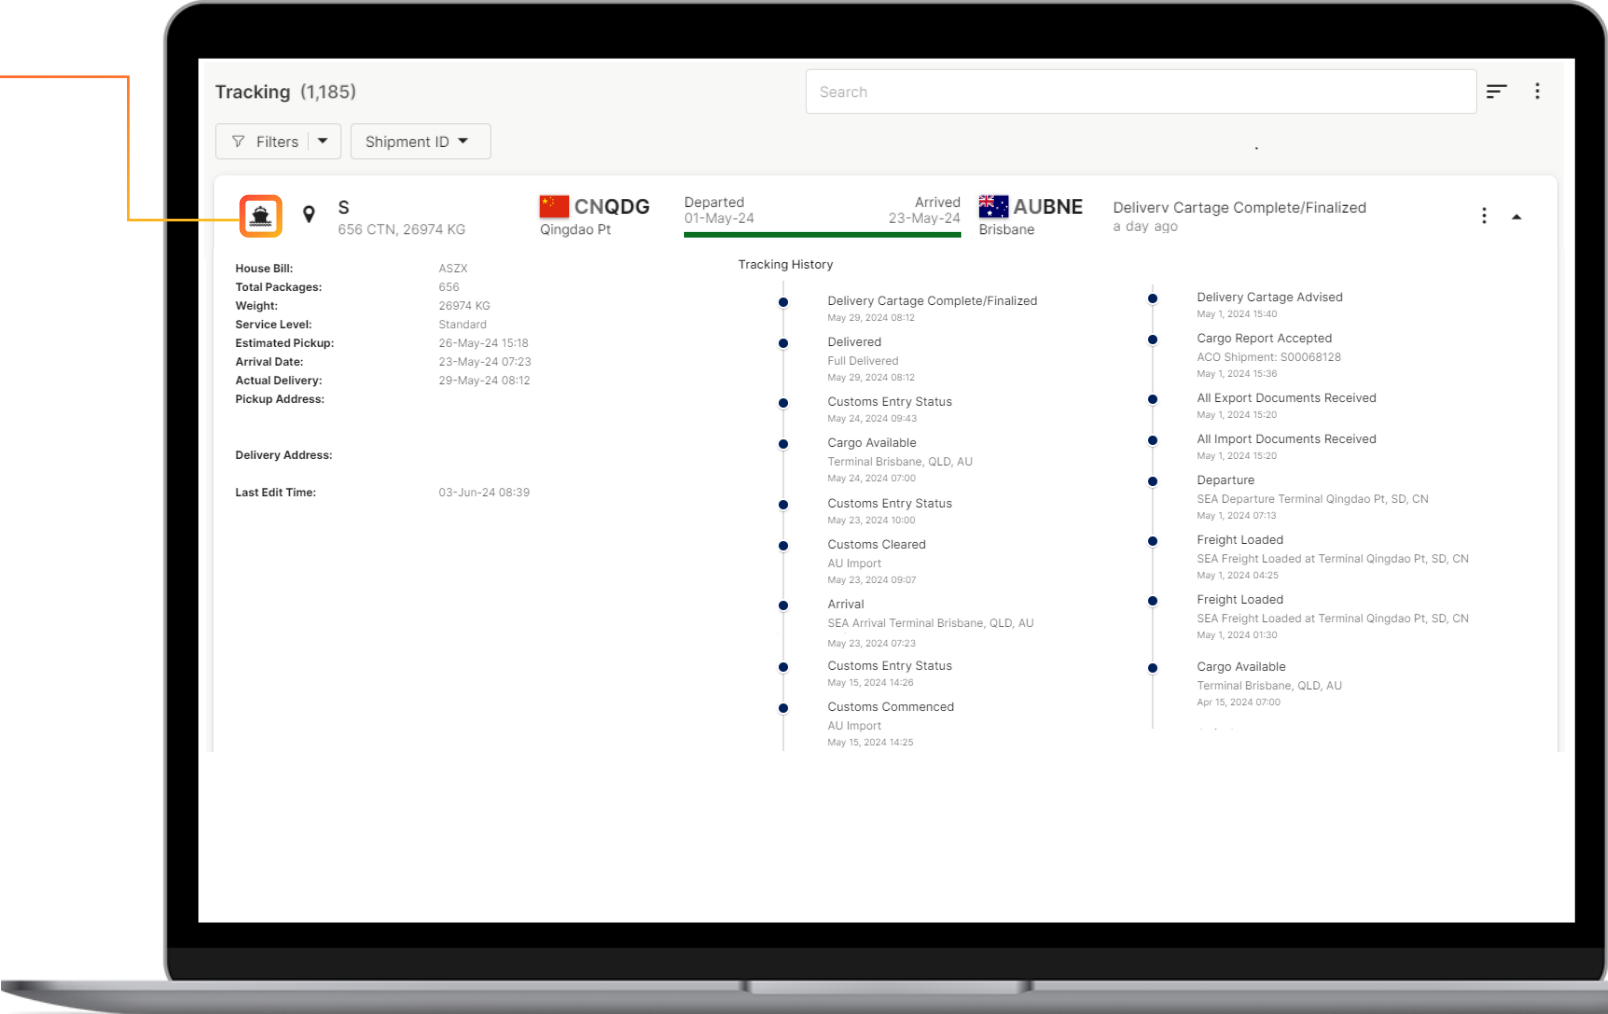

Live Status Updates

View your shipment's status and milestones end-to-end using AML Tracking History.

Tracking History

Select the vessel or aircraft icon displayed on the shipment to reveal detailed tracking milestones at each touch point in the shipment's journey.

Document Access and Messaging Hub

Access information and documents instantly with features like AML eDocs. Collaborate and plan with features like AML eMessages.

The screenshot displays the AMLogistics web interface for a shipment. At the top, a header bar shows shipment details: a location pin icon, 'S', '656 CTN, 26974 KG', 'CNQDG Qingdao Pt', 'Departed 01-May-24', 'Arrived 23-May-24', 'AUBNE Brisbane', and 'Delivery Cartage Complete/Finalized a day ago'. A '3 DOT' menu icon is highlighted in the top right corner. A callout box points to this icon with the text: 'Select the “3 DOT” icon on your shipment'. Below the header, a central menu is open, listing options: 'View Details', 'Book Again', 'View Related Orders', 'Download eDocs', 'eDocs', 'Messages', 'Notes', 'Documents', and 'Workflow'. Two callout boxes point to the 'eDocs' and 'Messages' options in this menu, both with the text: 'eDocs and more'. Another callout box points to the 'Messages' option with the text: 'eMessages and more'. On the left side of the interface, a 'Messages' panel is visible, titled 'Messages' and 'Shipment S'. It includes a 'Follow' toggle switch, an 'Add Followers' link, a text input field with the placeholder 'Write your message here...', a character count '0 / 10000', a 'Send' button, and a 'Close' button. On the right side, an 'eDocs' dropdown menu is open, showing a list of documents: 'Description', 'Booking Confirmation', 'House Waybill/Bill of Lading', 'Commercial Invoice', 'Packing List', 'Packing Declaration', 'AM LOGISTICS PTY LTD - Arrival Notice', and 'Proof Of Delivery'.

Invoice Overview

Access invoices and statements instantly with Invoices screen.

Invoices

Allows user to view their balances. It also provides access to search, view, download and print invoices and statements.

Analytics and Insights

View data-driven insights into shipment trends, milestones and performance metrics through AML Market Intelligence.

Market Intelligence

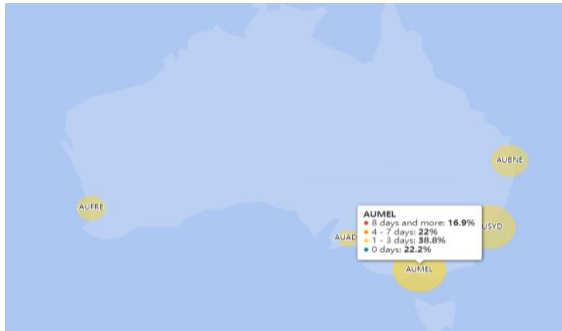

AML Live Track provides access to market intelligence features that measure current terminal and shipping performance around the globe.

Turnaround Time and On-Time Performance

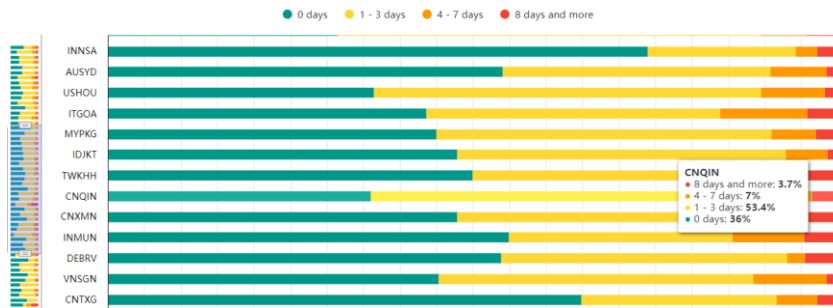

Map view

In Map view, toggle and zoom to select the required port and reveal metrics.

Bars view

In Bars view, zoom to select the required port and reveal metrics.

Market Intelligence **Turnaround Time** measures the time taken **to complete key milestones in port operations around the world.**

Market Intelligence **On-Time Performance** measures on-time departures and **arrivals against scheduled departures and arrivals at ports around the world.**

POL

POD

Select POL to view departure metrics and POD to view arrival metrics.

TEU

Count

Select TEU to view metrics in Twenty Foot Equivalent units and Count to view metrics in container units.

Map

Bars

Select Map to view metrics in maps and Bars to view metrics in bar graph format.

Secure Login Access

View shipment details with enhanced security measures through secure login.

Logging into AML Live Track

1 Individual Credentials:

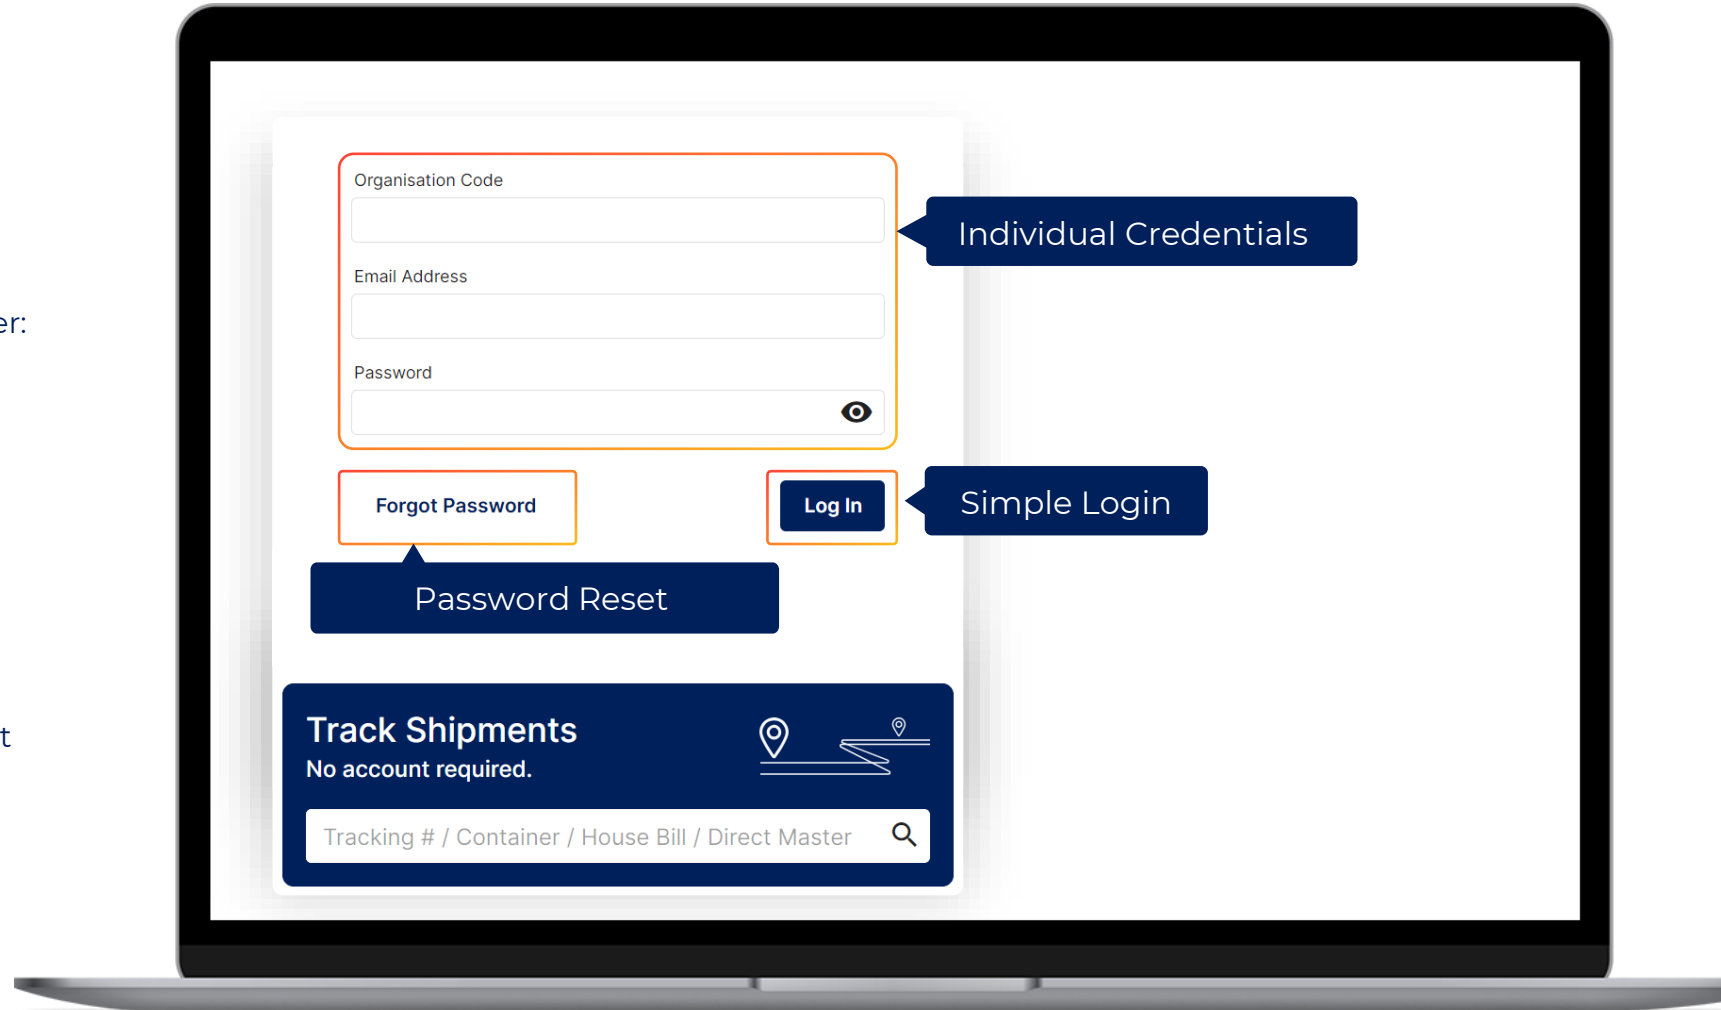

- Individual login credentials for each user:
 - Organization Code
 - Email Address
 - Password

2 Simple Login:

- Simple one-click "Login" process.

3 Password Reset:

- Self-serve "Forgot Password" and "Reset Password" for each user.

Basic Access Option

View basic shipment information and status without logging in, using the Track Shipments feature.

1 Accessing the Track Shipments Feature

- Select Live Track on our website.
- Use the “No account required” field.

2 Enter Reference Numbers

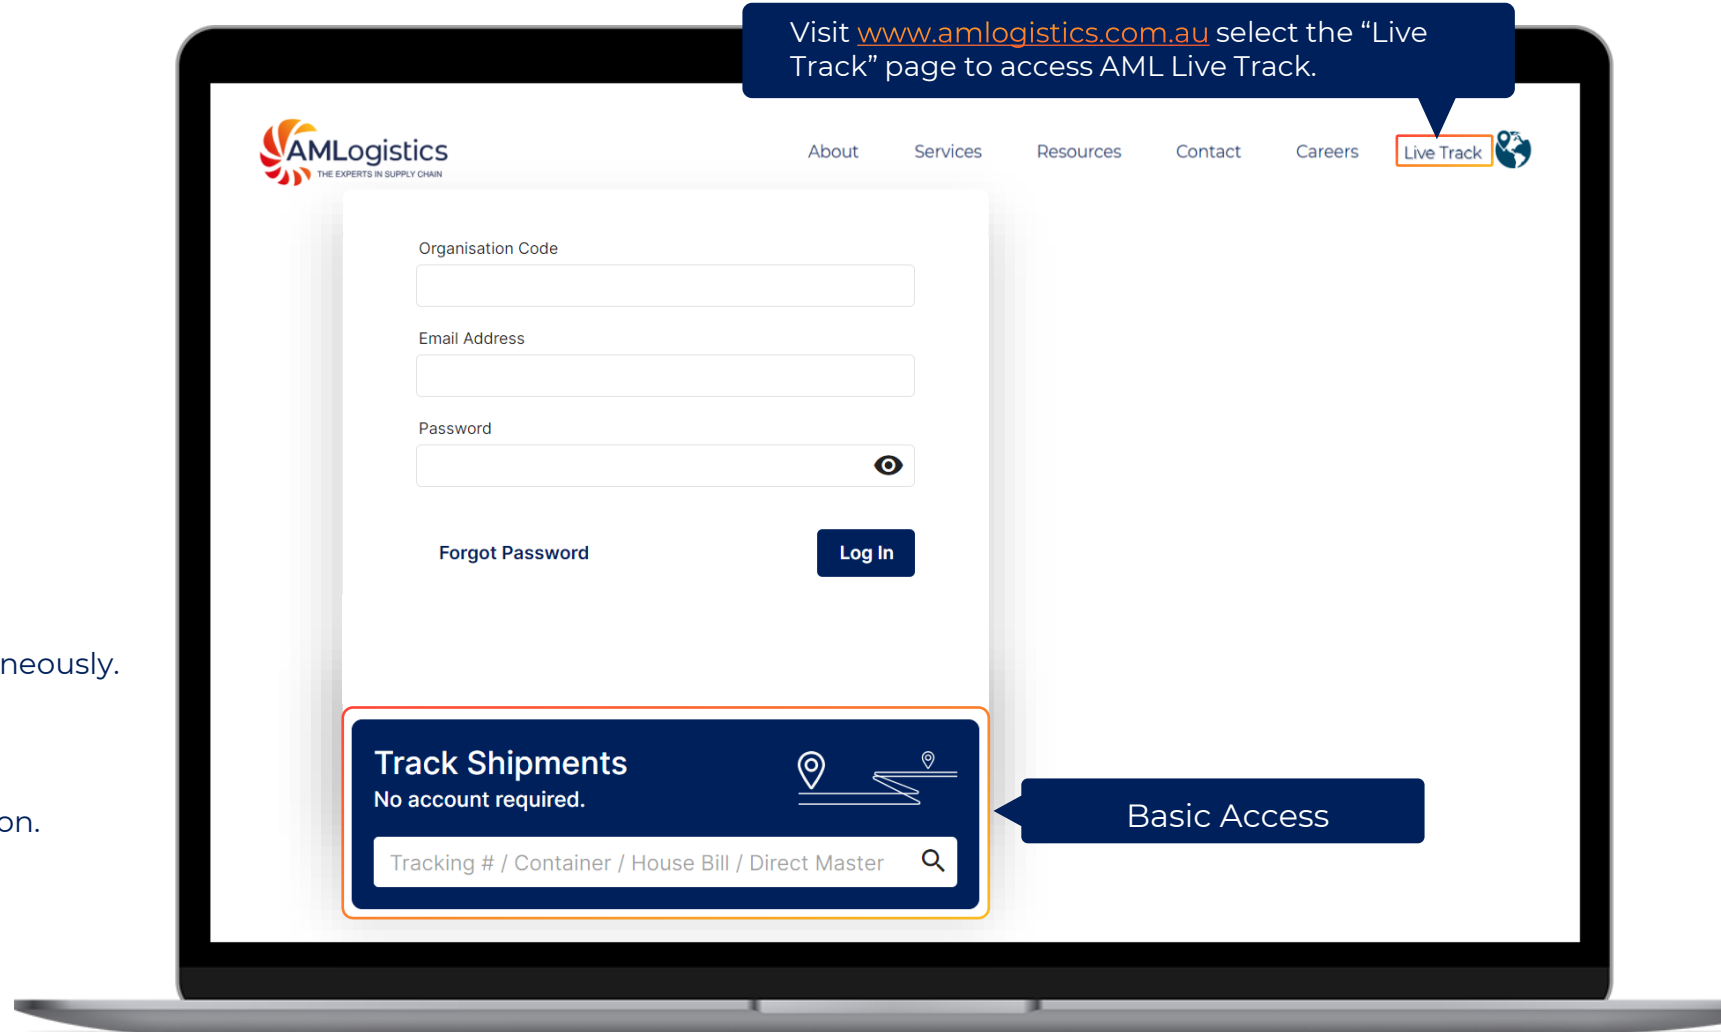

- Enter relevant reference numbers
- Examples: bill of lading, container, order, or shipment numbers

3 Tracking Multiple Shipments

- You can track multiple shipments simultaneously.

4 Viewing Shipment Details

- View basic shipment status and information.
- Accessible to your staff and customers, without sensitive data exposure.

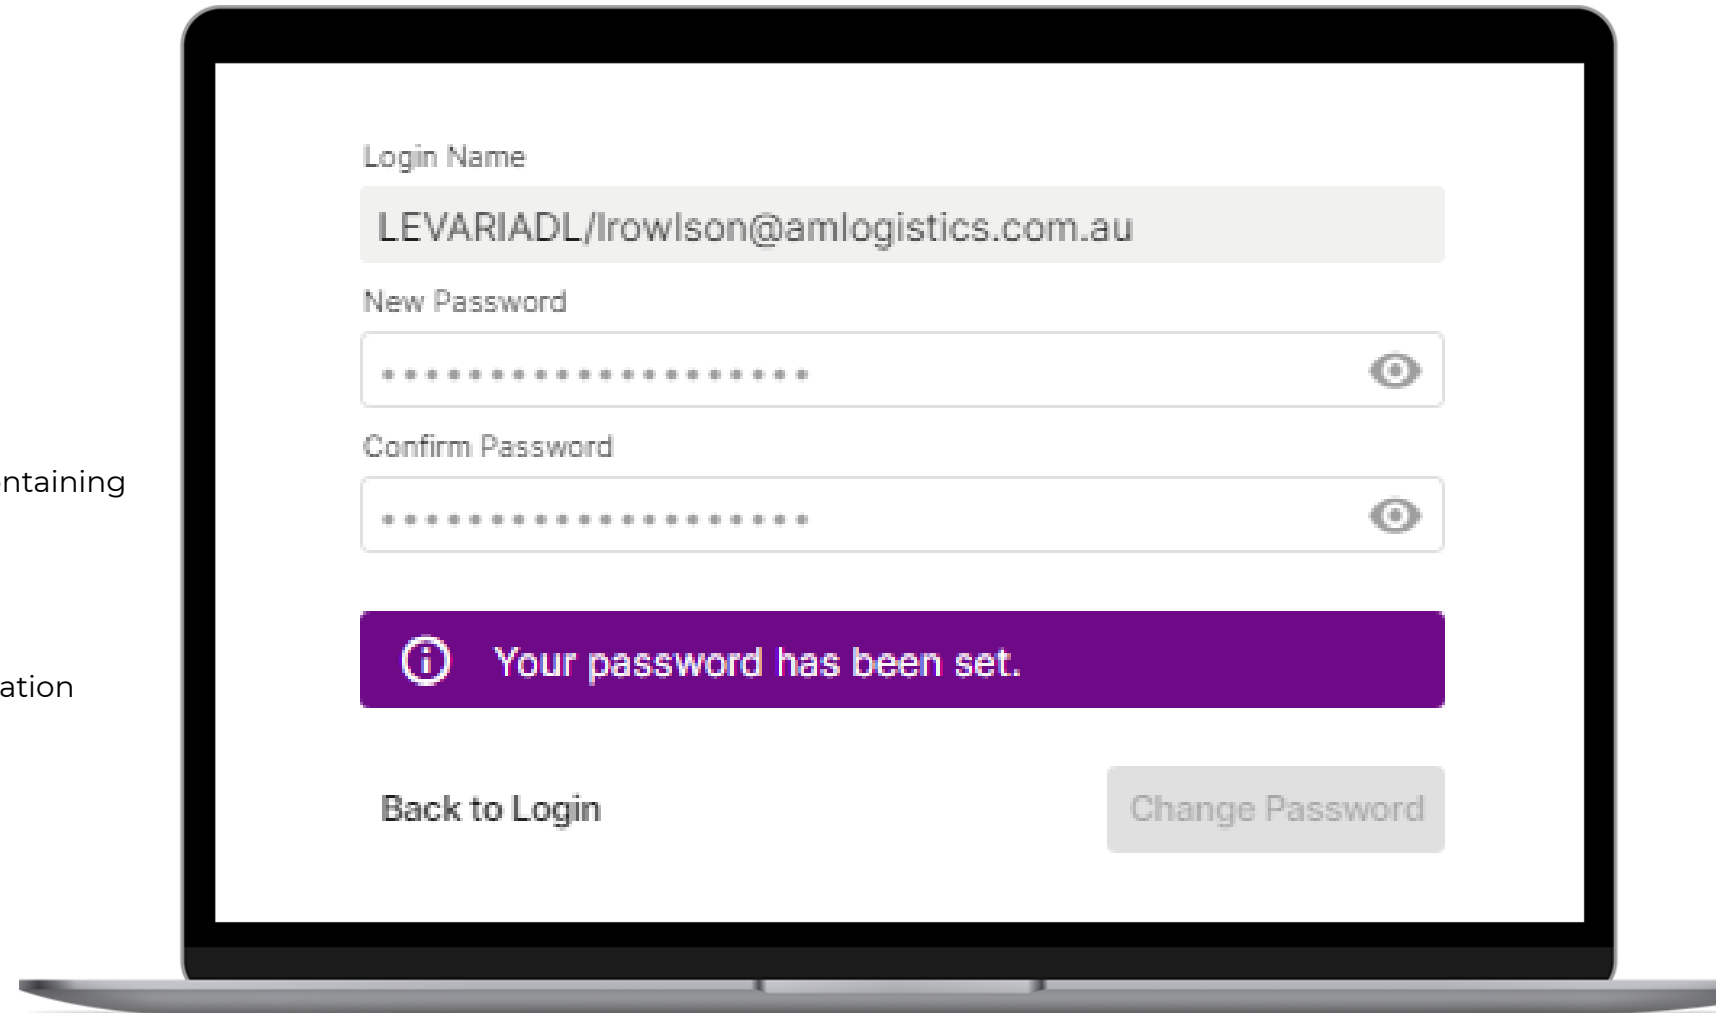

Simple Setup

Establish secure login access in just a few steps

Request AML Live Track

- 1 Contact AML for Account Request:
 - Contact sales@amlogistics.com.au or your AML Account Manager.
- 2 Receive Email Link:
 - Individual users will receive an email containing a link to set a new password.
- 3 Update Password:
 - Click on the link to access your Organization Code and update your password.

The screenshot shows a web interface for setting a new password. It includes three input fields: 'Login Name' with the value 'LEVARIADL/lrowlson@amlogistics.com.au', 'New Password', and 'Confirm Password'. Both password fields are masked with dots and have an eye icon to toggle visibility. Below the fields is a purple success message: 'Your password has been set.' At the bottom, there are two buttons: 'Back to Login' and 'Change Password'.

Login Name

LEVARIADL/lrowlson@amlogistics.com.au
